

Greetings from the Minnesota Nursing Home Social Workers Association!

We are once again excited to be planning our Annual Fall Conference. The conference will be held virtually this year September 21<sup>st</sup> and 26<sup>th</sup>. As we have the last few years our plan is to offer a virtual vendor fair for our members, and we'd like to extend to you the chance to participate this year. If you have not participated in the past feel free to check out our website and see what other vendors have created: <https://mnhswa.org/conference/>

When you choose to be a vendor with Minnesota Nursing Home Social Workers Association your \$50 fee includes your video and contact information posted on our MNHSWA website under our conference section as well as our Facebook page. As an added incentive, along with the posting of your video and information we include a conference attendance for one of your staff, that's a \$30 value in itself!

The last few years our virtual events have drawn 200 attendees to our conference including social workers as well as other professionals in long term care. Throughout the conference we regularly refer participants to check out our virtual vendor fair and they can view your video as it is posted even before the conference starts! The sooner we receive registration and your video, the better the exposure for you. If you'd like to participate this fall, follow this link to our registration page. [Vendor Registration 2023](#)

Payments can be made out to MNHSWA and mailed to Brandi Blais at: 15339 140<sup>th</sup> Street Foreston MN 56330 or once you're registered, we will contact you when our online payment option is available. If you have any questions, feel free to contact me at 320-492-2446. Thanks, and have a wonderful summer!
